## Step 4

Verify you are a student or an educator.

Select <u>Start</u> to begin your verification.

Our student/educator verification is performed by proxi.id. When you reach their verification page, there are three different ways to get verified. Follow the next steps in this document to find the route that works for you.

## **Verification Option 1**

- 1. Type your university name in the search field. If it is listed, it will appear in a dropdown menu. (If it does not appear, then please go to the next page for Option 2.)
- 2. Select your university from the menu; you will then be directed to the university single sign-on (SSO) page to be verified.
- 3. Log into the single sign-on (SSO) page for your university.
- 4. Once verified, go back to <u>qlik.com/academicprogram</u> and complete the Academic Program application.

# **Verification Option 2**

- If Option 1 did not work because your university does not appear in the dropdown menu, click on <u>Can't find your</u> <u>institution?</u>
- 2. Enter your university email address.
- 3. You will then be sent a verification code to your email address from proxi.id. (If this does not work, then please go to the next page for Option 3.)
- 4. Log back in and select Have a verification code?
- 5. Input your email address and code on the next page, then click <u>Submit.</u>
- 6. Once verified, you will receive an email to confirm this from proxi.id. Now, go back to <u>qlik.com/academicprogram</u> and complete the Academic Program application.

# Verification Option 3

- If the previous step does not work, then instead of the verification code, you will receive an email from proxi.id with the subject 'Unable to verify your eligibility'.
- 2. In this email, click the link that says support form
- 3. A web page will open titled "Submit Proof of Eligibility", proceed to fill in your details and attach evidence of your eligibility.
- 4. You will then be emailed by proxi.id to confirm they have received the verification documents, and they will confirm your eligibility shortly.
- 5. Once verified, go back to <u>qlik.com/academicprogram</u> log in and complete the Academic Program application.
